Randee & Magdalene

She'd heard them fucking and was jealous. So a lesson seemed to be in order. Magdalene undressed her and began kissing Randee's boobies on the bed. Soon she had worked her way down and licked her sweet pussy. There was little Randee could do but to return the pleasure.

Hi guys. My name is Claudie and Sabby has just showed me my 55th birthday present. Ever since I lost my virginity more than thirty years ago, I haven't been able to really get off without a cock inside me.

Claudie

Yes, I can finger myself to get off, and even have a little vibrating help when I need it, but a cock is the real thing. And when there's a young studly guy behind it, even better. Now, let's get this party started right here.

A blonde woman with a large fringe necklace and a red and black outfit is performing oral sex on a man. She is looking up and has her mouth open around the man's penis. The man's arm and torso are visible on the left side of the frame. The background is a dark, textured surface.

And what a wonderful birthday
this was. I have sucked dicks

Dear 50+:

When things happen that you can't understand, I have found that writing it down and sharing it with neutral parties may be of help. There may be an angle that you have not considered, and with luck, may help you understand.. While some of your reader's may not think the best of me, I ask that they not judge until they've walked a mile in my shoes.

I had an older brother; Michael, we were born four years apart with him being the older one. We did everything together, even going to the same college and entered the same profession. We were both research scientists. We married a few months apart, but I got divorced a couple years ago.

A year ago, he passed away. He was only 55 and left a wonderful wife behind. They had no kids but were actively involved with underprivileged children. I won't go into the details of his passing here. His wife had no family here in the states. They lived in Mexico and she did not want to go back. She tried to find a job but could not.

She volunteered when she

50+ editors,

I can't believe how beautiful Lisa deMarco looks on your cover. She's like a goddess whose pose captures her beauty and regalness. Her expression is warm and welcoming. Her body is amazing for her age and her boobs look great. Her legs are tight and toned like she works out. But it's just the small act of pulling her panty that is the sexiest of all. It teases me to see what she is hiding. It's like she wants me to see it, but I may have to work a little harder than just looking at her on the cover. Perhaps she wants me to open the magazine and see what she is doing on the inside. Which I do and find her even more ravishing and utterly sexual. I can't wait to finish this letter and watch her video!

— Rob, Denver

could but fell into episodes of grief that prevented her from moving on. Her name is Luciana but we call her Lucy. She dropped deeper into depression and asked my 75 year-old parents if she could move in with them. They wanted to sell their house, move to Florida and retire to the warmer climate. Now, with my sister-in-law living with them, they felt an obligation to stay. She told them it would be only for a couple months, but nine months later she was still there in the house.

I now lived alone in a large house, so this is where I come in. My parents, Lucy and I talked it all over and decided she could come live with me. She packed up and moved in with me a week later. Within a month my parents sold the house and moved to Miami. Jobs were more plentiful where I lived (Baltimore), so she would have a better chance at getting a good paying job. Also, I would have someone to live with, and I could help her out if she needed it.

Lucy didn't have much, some clothing and a few other personal items. After she settled in, we went shopping. She didn't want to take any money from me,

but I convinced her it was just a loan until she got a job and then she could pay me back little by little until it was paid off.

We went to some of the de-

ence was the one that I had with my hand.

Lucy kept the house clean, made most of our meals and even did the laundry. It was good to have some-

one Friday afternoon and was greeting by Lucy wearing one of her new outfits. She told me she got a job and was taking me out to celebrate. She had made dinner reservations at a spot close to the house. Once there, we had a few drinks and talked. She was so relaxed and happy. She didn't believe how good her life was and she owed it all to me. The alcohol was having an affect on us, so I suggested we go home to continue our celebration, she agreed. We parked the car and went inside. I helped her with her wrap and she turned to me and stared kissing me. Thanking me for "being there for her" under her breath.

Then she whispered, "Please make love to me, tonight." That was all she needed to say. I picked her up in my arms and carried her to my bed. I looked her in the eyes and said "I want this as much as you do, but before we do anything, that we'll regret later, are you sure you want this to happen?" She looked me in the eyes, grabbed the back of my head and pulled me down until my lips met hers. She gave me a long wet kiss, our tongues intertwining, probing, touching each other's. We both hadn't had sex in a long time and we were not being gentle.

I quickly unbuttoned her blouse and unsnapped her bra. As I pulled the loose bra from her breasts, I stopped and stared at her

creamy mounds of flesh. Her nipples were hard and erect. I grabbed a breast in each hand and started to massage and knead them. I lowered my lips to those luscious nipples and as I started to gently bite them, I heard her start to moan. I looked up at her face, her eyes were closed, her lips were slightly open and her tongue was tracing her lips.

We pulled apart and she dropped down to her knees and undid my pants and pulled them and my boxers to my ankles. I felt her warm mouth wrap around my stiff cock. She devoured it like a woman who had not eaten in years. Her tongue swirled around the cock head and slid wetly up and down my shaft. Her fingers fondled my balls, heightening the experience of her blow job. Reluctantly, I stopped her and we undressed each other falling on the bed and into each other's arms. I went down on her and she came within a minute. She had over a year of pent up sexual energy and I was the one lucky enough to have it explode all over me. I returned the passion and she came twice.

We are still living together, enjoying each other as life must have intended. We have not yet told my parents because we don't know what their reaction might be. We'll have to see what the future holds, but for now, the present is great.

—Arthur, Raleigh, NC

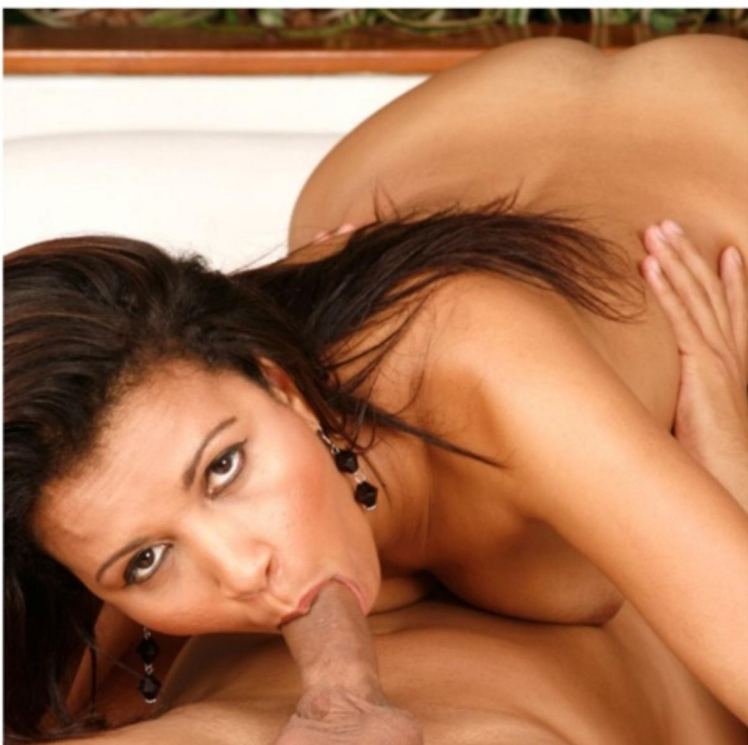

partment stores and spent a couple weekends getting her wardrobe updated. Lucy said it made her feel better. She has a very good figure with a full bust, small waist and shapely hips without having much fat on her. She picked out some dresses and blouses with a neckline that accentuated her boobs. As she was modeling the clothes for my approval, I started to realize that I was getting aroused by my ex-sister-in-law.

I started to look at Luciana in a different way. After all, I had not dated since my divorce and the closest thing to a sexual experi-

one to talk with when I got home from work. We spent many evenings cleansing our souls and trying to console our feelings about what the past did to us.

It turns out that she was a person who had a very high sex drive, so this led to her having to please herself. My ex-wife was not interested in sex in the last few years of our marriage. When we were first married, we had sex once or twice a week. That soon trailed off to once or twice a month and then it just stopped completely.

I came home from work

50+ Editors:

Ashley, hesitant at first, slowly stood up and walked into my office. I held the door for her, and as she walked by, I grabbed a handful of that hot young ass. She knew that if she really wanted this job promotion, she would have to accept her fate and just go along with what happens. For now, I figured I would take things slow. I offered her a glass of wine that she quickly drank.

After a few more between both of us we were both a little tipsy, I figured I would tease her. After setting our glasses down I began to slowly massage her shoulder letting a few low moans escape her mouth, so after a few minutes I slowly began to remove her blouse. I began to feel up her amazing boobs before finally removing her bra. As much as she hesitated the first time, she was more open now with head tossed back, her eyes closed, and letting out moans.

I began to tweak her nipples in between my

thumb and fingers, pulling them away from her body and twisting them slightly. She stood her up and I slowly removed her shirt, pulling it down over that shapely ass and giving it a playful smack once it was off. I slid my hand over her panty covered slit and felt the heat radiating from it. Then I started to kiss my way down her body beginning at her neck then taking one of her nipples in my mouth while tweaking the other with my free hand. I worked towards her silt just kissing the inside of her thighs teasing her.

Slowly rubbing and twisting her clit, it felt like I was making this hot little number move under my control. I slammed two fingers into her making her gasp while moving my mouth over to suck on her clit. Her pussy convulsed over my fingers and mouth as her whole body tensed up allowing her orgasm to take over. Her warm juice covered my face as she came. Knowing she was still sensitive, I teased her clit with my tongue while I continue to finger her.

She slid up the couch to pull away from me as her pussy couldn't take anymore. Coming down from her orgasm, she took a deep breath as she began teasing just like I did for her, slowly rubbing my cock through my pants. Then, sliding down my zipper as my cock sprang free she pulled my pants down and rubbed my cock through my boxers, the tip every so often escaping the fly attempting to break out. She finally took my boxers off having grabbing my cock by the base and begins to lick and slap her tongue against my balls. This girl knew how to work a man and his cock!

Then she slowly brought her tongue up and licked from my base to my tip, sending shivers throughout my body. I had enough of this teasing, I couldn't take it anymore. She engulfed the head of my cock into her mouth swirling her tongue around my tip. I placed my hand on her head as she worked more and more of my cock into her warm moist mouth. Running her tongue all over it while applying the right amount of suction and stroking what wasn't in yet.

I soon felt the entrance of her throat as she kept taking more of me. Still being a tease she would start to slide part of my tip into her throat before pulling back. I reached down and slid my hand under her shirt to

feel those amazing boobs. This got what I could make out as a smile as she still had my cock in her mouth.

With her free hand, she grabbed my balls and squeezed slightly giving a nice feeling combined with sucking the head. She then slid my cock out of her mouth and pushed it against my belly. She lowered her head and began sucking my balls. Her other hand slid behind my butt and her fingers probed my butt crack. I opened my legs slightly and she did these things with greater vigor now. Her hot little mouth sucking and licking my balls as her hands worked me front and back.

She pulled my cock back into her mouth as I started to cum. She pointed the head into her mouth and I spurted at least a dozen times with her taking every drop of it. She licked the head and then her lips as she stood up and looked my straight in the eyes. I raised a finger to wipe a last drop from the corner of her mouth and let her lick it. Next week will be her next interview with me.

Brittany says her sex life has taken off since she got her latest boob job.

"I've always had a rock hard body, but the years are not nice to us women. My problem was I like younger men and so I need to compete, and boobs, believe it or not, are the best way to do it. Men don't see much else when they're confronted by big boobs. Go ahead, look."

Kacey and I have been lovers for the last six years or so, but she has never been in a video with me.

When we got this chance to shoot together, we jumped at the chance. For us, it was just another sexy afternoon doing what we like to do.

Kacey & Rebecca

It took a few minutes for her to get used to the camera, but after she did, it was on!

Hope you'll like what goes down.

Before the cameras started rolling, I began to lick Rebecca's pussy. There were several men around the room, the photographer, his assistant, the house owner, and more, and that proved to be an even bigger turn on for me. I had never eaten out a woman in front of men. Now I get to show them what I can do. Maybe one or two will join us later, but only after we women finish up on each other. Bring that pussy here.

sometimes the things you forget turn into times you'll always remember

forgot about the time but it was three at ten

IT'S A SHORT 20 MINUTE DRIVE TO CAILEY'S HOUSE, BUT WHEN I GOT THERE...

I'm 53 years old and work in the great outdoors. I have close cropped hair and sport a closely cropped beard that, like my hair, has started to turn grey. I'm reasonably fit, take care of my body and mind, and I have not had difficulty with the opposite sex. My name is Matt, and this is my story.

I have known Cailey for a few years now and she often calls me by many different cute nicknames. One of her favorites is lover. I tease her right back with cougar because she's always chasing after younger meat. We have a pretty open relationship, and while we don't live together; I live in the next town twenty miles away, we have keys to each others house and often use them as our own.

I had to go into work the Friday morning and needed some tools I had left in her garage. I parked in her driveway and headed in the front door since I do not have a garage door opener. There on the sofa at ten in the morn-

ing, I see Cailey lying on her back, with her head over the edge with her long blonde hair falling to the carpet, gasping for breath, her bare breasts heaving and soft cries escaping her lips. And the reason for her cries is a young-looking body whose face was buried deep in my cougar's pussy.

I move in closer, closing the door behind me. The look on her face was familiar to me as she looked

up at me. I had seen it many times when we make love. She has firm medium sized breasts whose large nipples are very responsive to my touch.

Her knees were slightly raised, one foot on the sofa and one foot on the floor. Her hands were gripping the cushions.

Cailey's eyes were closed as she was being pleased by her lover whose face was sandwiched between her thighs. All I could see was a head of long dark hair attached to a slim, well-toned body. Looking more carefully at this person's back, I

There I was in my own wet dream, with two gorgeous girls. It was like a surreal fantasy. Only this was real life and in real time!

deduced that she must be a female, and I was right. She seemed taller than Cailey and her lithe body ended with long shapely legs. She had a great ass, too. As she busied herself eating Cailey's pussy, I noticed her bare young pussy. Then it struck me who she was, Florence. A friend of a friend of theirs. She was probably around 20 and as innocent as they get. She was a self-confessed lesbian who Cailey maintained that she ignored her advances, although she was aware of her affection for her.

I wondered what the hell was going on here. Now don't get me wrong, this is every guy's wildest wet dream and I wasn't about to break up the proceedings. In fact, I now wanted to really feast my eyes on that sight for as long as I could. My cock was rock hard in my jeans. I moved closer to Cailey's head and took in her expressions of passion. I bent down and placed my lips on her lips. She opened

were almost oblivious to Flo's presence. Cailey broke our kiss and moaned softly. Flo was doing something extra special to attract her attention. Cailey stroked Flo's face. "Matt, I would like you to meet Florence."

"Hi there Florence," I said not knowing what is an appropriate thing to say here. "Hi." Flo giggled. She was quite beautiful with sharp features and dark eyes. Her full lips and face were wet with Cailey's pussy juices. "Now listen here young lady," I began in a mocking tone. "I will have to punish you for stealing my girl."

"Oooh, but I thought you wanted to have a three-some, baby." Cailey pouted. She was right of course. I was busted. I have been wondering about such an encounter for as while now. While I wished it, I never really pushed for it. Cailey was not one that you put in situations she doesn't want to be in. She made up her own mind and in her own time. I was hopeful, of course. But I wasn't assured of the outcome.

Cailey, still upside down on the sofa, reaches over and pulls down my pants; takes my cock in her hands and promptly started to suck on it. There I was in my own wet dream, with two gorgeous girls. It was like a surreal fantasy. Only this was real life and in real time! Cailey was the best blow job artist I have ever known. She was slow and delicate and took me all the way in. She stroked my ass and played with my balls. Her fingers felt cool on my skin. My cock was in a hot, wet, sweet space that sent thrills up my spine. She moved her mouth to my balls and engulfed each one delicately in her sweet mouth. Then she moved to my ass. While she stroked my erection, she licked my ass and probed me there with her tongue. Man, she drives me crazy when she does that.

her clear blue eyes that smoldered with affection. Cailey looked up and then broke into her devilishly innocent smile that was completely natural to her.

"Hi baby. What took you so long?" She said and we kissed deep and long, our juices mingling freely. We

While she was pleasuring me, Florence pushed two fingers in Cailey's wet pussy and preceded to finger fuck her. At the same time she flicked and sucked on Cailey's clit. I watched Flo work Cailey and smiled. Soon she was dripping cum all over Flo's fingers. I shifted Cailey further up the sofa to make her com-

It was unbelievable! The living room reeked of wet pussies, cock and sex. I had forgotten about going to work.

fortable and to allow better access to my ass and balls. Now I was on my knees sitting on Cailey's face, getting a better view of Flo eating Cailey's pussy at the same time.

This was hot! I was having my ass probed and balls licked while Flo was feasting on Cailey's pussy. I got hold of Cailey's legs, lifted and then parted them allowing Florence more room to devour Cailey's pussy. Soon Cailey was coming and coming and coming. She gripped my cock and came up for air, overwhelmed with sensations that, like a rush of adrenalin, consume all the senses. Cailey was gushing her love juices all over Flo's face again and it was wild to see her licking Cailey's cum.

Florence turned up the heat by probing Cailey's puckered hole, her pussy and her clit. Her hands were also kneading Cailey's boobs and nipples. It was a triangular pleasure zone. We all gave and received, being both selfish and selfless all at the same time. Soon, I felt an urgent need to park my cock inside Cailey's pussy. I was hard and dripping with pre-cum. Now was the time to eat and drink at the fountain of pleasure. And right there were two delectable dishes offering endless possibilities.

Cailey was now on her elbows on the sofa, waiting; her boobs rising and falling from the pleasurable exertions, her nipples standing erect, her body glistening with sweat. Florence quickly lay on her back and slides under Cailey into a beautiful sixty-nine and guides Cailey's mouth to her young juicy pussy. She stretches her long legs high into the air and parts them. I get in behind Cailey's ass and enters her from behind. Flo takes a moment from licking pussy to lick my balls as they slide past her face. After a minute like this, Flo grabs hold and takes out my cock, inserting it into her slick mouth and deep throats me. I pump in and out a few

times and she grabs me and puts it back into Cailey's pussy. That was all the encouragement I needed. I pumped pussy for a few more minutes and then it was my turn to push my cock into Flo's mouth. She sucked it earnestly and then I put it back into its warm home.

So there we were: me plugging Cailey's pussy while she was giving Florence head. Cailey was on her knees, her hands opening Florence's snatch. I was on my knees behind her, hands firmly holding her ass in place. Flo was on her back, hands holding her legs high and wide into the air; with her head bent backwards deep into the sofa. It was unbelievable! The living room reeked of wet pussies, cock and sex. I had forgotten about going to work.

If anyone's ever watched a threesome unfolding in a video, you probably know it's great fodder for endless masturbation sessions. But I'm here to tell you

the real deal is a hundredfold better. If you can, get some of that girl-girl-guy action for your bucket list. It's a must for any red-blooded man to experience at least once in their sexual lifetime. After today, I realized it was fine waiting all these years. Here's to Cailey and Flo. All I know is this: if I die today, I will die with a smile on my face!

I've been told that my partner is running about an hour behind, so rather than wait it out in some small room or take a nap, I asked the director to get some stills of me. After a few minutes to set up, I was ready to go.

June

I couldn't wait to get my boobs out of their constraints and show them off. But I told them to wait, the real show would be under my panties!

I'm waiting for the realtor to come over and show me pictures of the house I want to buy. When he arrived, he was so fucking hot, it caught me off guard. He comes on strong and aggressive, because he wants to close the sale. I'm married and start to get nervous because he gets touchy-feely and won't put it to rest.

Svetlana

By the time he's ready to close the deal, his boner is practically springing out of his pants, so he does what any horny guy would do: he fucks my pussy until I swallow his huge sticky load.
